

NEBRASKA DEPARTMENT OF TRANSPORTATION
NOTICE OF HIGHWAY IMPROVEMENT PROJECT

I-180/I-80 Interchange Signing

HSIP-180-9(4); C.N. 13349

Identified as *I-180/I-80 Interchange Signing*, the proposed project would install new overhead guide signs and two new overhead sign structures at the Interstate 80 (I-80) and Interstate 180 (I-180) interchange located within the city limits of Lincoln in Lancaster County.

The proposed project would begin on I-80 at mile marker (MM) 401.00 and end at MM 401.25 and begin on I-180 at MM 0.00 and end at MM 1.15.

The purpose of this project is to preserve the I-180 and I-80 transportation asset, improve the reliability of the transportation system, and perpetuate the mobility of the traveling public. The need for this proposed project is based on the condition of the overhead signs and structures.

Proposed construction would consist of removing the existing overhead guide signs and sign structures and installing new overhead guide signs and sign structures.

This project would not require the acquisition of additional property rights. Access to adjacent properties would be maintained during construction, but may be limited at times due to phasing requirements.

Wetland impacts are not anticipated. The Superior Street Trail, Roper Park, and Camp A Way are within the vicinity of the proposed project; no impacts are anticipated.

Construction is tentatively scheduled to begin spring of 2018 with completion within three working days.

The proposed project would require short duration detours during the removal and installation of the overhead signs and structures. The detours would be required for the on/off-ramps from westbound I-80 to northbound and southbound I-180 and from northbound I-180 to westbound I-80. All detours would utilize I-80 Exit 399 and Cornhusker Highway.

NDOT has worked to develop this project to minimize inconvenience and hardships. We are dedicated to improving Nebraska's Highway system and with your help we can achieve this goal.

Any questions or comments regarding this project should be submitted to: Sarah Soula, Public Involvement Manager, Nebraska Department of Transportation, P.O. Box 94759, Lincoln, NE 68509-4759; sarah.soula@nebraska.gov; voice telephone 402-479-4871, TDD telephone 402-479-3834, fax 402-479-3989.

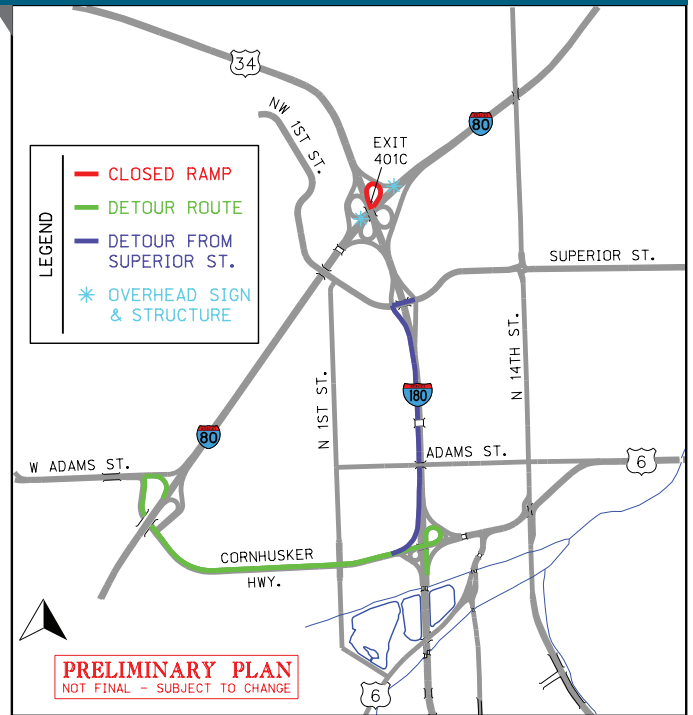

Information regarding the proposed project will be made available on the NDOT website at <http://dot.nebraska.gov/projects/future-projects/> by clicking on the "I-180/I-80 Interchange Signing" link. For those without internet access, information may be obtained through the contact above or at NDOT Headquarters, 1500 Hwy 2, Lincoln, NE.
